

2021 "POINT OF CONTACT"

PINOT GRIS

WINEMAKING

The fruit arrived to the winery cold to the touch.

The fruit was perfect due to the beautiful growing season in 2021, and we sorted the fruit anyway. After sorting and destemming, we put the fruit directly into cold soak.

Every 8 hours, we tasted the fermenter to determine the best time to put it into the press. This particular vintage, that was about 36 hours.

Right when we could get the peach skin texture while also retaining fresh fruit
