

2022 "WICKED GARDEN"

SYRAH

WINEMAKING

Our block sits at about 1300ft elevation and has plenty of cool wind hitting it in the evenings and early mornings during growing season.

Block 50 specifically is an intriguing and very unique block of Les Collines and all of Walla Walla. It is the only block that doesn't practice hedging at all. So, the canopy provides a significant amount of protection from the hotter and sunnier days in Walla Walla.

We pick this with enough acidity and structure while still trying to achieve depth of fruit.

This wine is 50% whole cluster and aged in Amphora for ten months.
