GRENACHE

WINEMAKING

The 2023 Vinatge was a vineyard sourcing shift for us.

We moved it to Walla Walla because we already work with the Block 50 Syrah from this Vineyard and we love what Brad, the Vineyard Manager, is doing with the farming. When he called and offered us Grenache, we jumped on the opportunity.

Again, went low risk and 18% whole cluster, crushed on top. We extended maceration for about 10 days after fermentation and pressed when the flavors were perfect.

Aged in neutral French oak for 10 months.
